

NOTE – you can answer your respondents individual, but keep a record of those Q&As and send them as a FAQ to your email subscribers, so you can overcome the objections of those who don't reply to your email.

Subject: I need you! Did I get your question?

Hey [name],

The other day I asked about what questions you have about [product].

If you haven't had a chance, just [hit reply to this email / submit your question here -link] and let me know.

Looking forward to hearing from you!

To your success,
[Your NAME]
